

SINGAPORE AEROSPACE AWARDS

WWW.AEROAWARDS.SG

The Association of Aerospace Industries (Singapore) presents the Singapore Aerospace Awards.

Supported by the Civil Aviation Authority of Singapore, Singapore Economic Development Board, IE Singapore, SPRING Singapore and Workplace Safety & Health Council, the awards will culminate in a spectacular dinner whereby the industry can celebrate its own and its best.

The Singapore Aerospace Awards Dinner

The Awards Ceremony would see distinguished companies and individuals honoured for their accomplishments and achievements. Over two hundred local and overseas aerospace professionals and guests are expected to join in the celebrations. Cruising in to hail high-flyers of the industry, this black-tie event assures all guests a seamless blend of prestigious ceremony, pulsating entertainment and culinary delights.

Award Assessment Process

Appointed consultants will conduct primary and secondary research as well as possible interviews with companies to identify a list of candidates for nomination.

Companies will be informed once they have been formally nominated. Upon submission of their nomination forms, a Judging Committee comprising of key individuals in the industry and agencies will deliberate on the winner for each category.

The winners will be presented with their awards at the Singapore Aerospace Awards Dinner, during which the industry can also meet to network and celebrate the industry's achievements.

Award Categories

Each participating organisation can take part in a maximum of 3 award categories.

Lauding key players and individuals in the industry for their professionalism, capabilities and innovations, profiling the industry as well as awarding the forerunners in the industry in the following award categories:

Aerospace Technology Adoption Leadership Award (MRO)
